It gives me great pleasure to welcome you to the MJE Wheel Repair Specialist Tyrone Stages Rally 2022. After a difficult few year, with Covid prevented us from running a stage rally, we are revved up and ready to go with this years event and what better way to start back than a closed road rally back in our hometown, Cookstown Motor Club are delighted to be returning to the tarmac with stages both competitors and spectators are sure to enjoy.

We are delighted to welcome back our tittle sponsor MJE Wheel Repair Specialists, from Cookstown, specialising in alloy wheel restoration among other things. Run by motorsport enthusiast and Targa Rally competitor, Jason Stirrup is very happy to be supporting his local club and will be in the service park on the day to display some of his finest work (which can also be seen on several of the competition cars, on event).

This year we are also host to the penultimate round of the McGrady Insurance Northern Ireland Rally Championship, with the overall title still up for grabs, we are looking forward to a great days rallying.

Cookstown Motor Club always likes to provide the competitors with a challenge and this year will be no exception, 3 stages to run 3 time will give competitors 45 stage miles to prove themselves on and with a mix of the fast flowing roads to the tight and twisty stuff, it will be a challenge they will enjoy.

I would like to take this opportunity to say a big thank you to all the marshals, timekeepers, radio personnel and officials that work so hard to allow this event to run and to wish you all a SAFE and enjoyable days rallying.

# Spectator Safety

## A Message from Ari Vatanen, 1981 World Rally Champion

Watching a live motor sport event is a thrilling experience and one of the best ways for fans to get close to the action, experiencing the sport's sights, sounds and smells first-hand.

Motorsport UK, event organisers and venues strive to keep spectators safe but ultimately all spectators are responsible for their own personal safety.

Here are some tips that spectators should remember at live events:

- ⇒ Always keep your own safety in mind
- ⇒ Park in a safe place
- ⇒ Follow marshals' instructions
- ⇒ Observe and obey all event signs
- ⇒ Stay within the official spectator areas
- ⇒ Do not enter any prohibited areas
- ⇒ Keep off the road or track
- ⇒ Listen to official announcements
- ⇒ Expect the unexpected

On rallies in particular, remember:

- ⇒ Cars may run wide on corners
- ⇒ Cars may cut corners
- ⇒ Cars may throw up stones
- ⇒ Cars may overshoot junctions
- ⇒ Cars may leave the road

# So, have fun but keep safe!
