CIRCUIT OF IRELAND

8th April 2023

Organised by Cookstown Motor Club

It gives me great pleasure to welcome you to the Milburn Concrete Circuit of Ireland 2023.

The 2023 Circuit of Ireland Rally will see some big changes for last years event, with the Ulster Automobile Club and Cookstown Motor Club, working together to offer competitors 8 special stage in a compact one day format.

Also new this year, we would like to extend a warm welcome to the new tittle sponsor for the event Milburn Concrete.

The Circuit of Ireland Rally will once again be host to the TROA Irish Tarmac Rally Championship, incorporating their International, Historic, Modified and Junior championships in the event and with a full entry, we expect the 120 competing crews are looking forward to a great days rallying and tight battle throughout the field.

Cookstown Motor Club always likes to provide the competitors with a challenge and this year will be no exception, 4 stages to run twice will give competitors 70 miles of special stage to prove themselves on and with a mix of the fast flowing roads to the tight and twisty stuff, it will be a challenge they will enjoy.

I would like to take this opportunity to say a big thank you to all the marshals, timekeepers, radio personnel and officials that work so hard to allow this event to run and to wish you all a SAFE and enjoyable days rallying.

Wayne Turkington

Clerk of the Course

On behalf of the Ulster Automobile Club Ltd (UAC), I would like to welcome everyone; competitors, officials and spectators to the 91st staging of the Circuit of Ireland Rally.

2023 sees this classic tarmac event entering a new era. Collaborating with our friends, supporters and officials from Cookstown Motor Club Ltd, this joint venture has been meticulously planned to ensure there is a rally to be proud of.

The Circuit of Ireland is the third round of the 2023 Samdec Security Irish Tarmac International Rally Championship and is also a qualifying round of the UAC Championship. I am aware that the quality of entries will provide a superb spectacle over the Easter weekend.

The 'Circuit' takes a incredible amount of time, patience and effort from a considerable number of people to organise and promote. I would like to take this opportunity to thank each and every one of them. Your dedication, commitment and diligence will ensure the smooth running of the rally and the safety of everybody during the event.

We are fortunate to have the occasion and pleasure to enjoy the superb driving skills displayed by our competitors. Please remember our officials and marshals have their job to do as well; to ensure you enjoy yourself and return home safely.

So please obey the marshals and we will all have a safe and enjoyable weekend of motorsport.

Bill Swann

UAC Chairman

BEST OF LUCK TO ALL INVOLVED IN THE 2023 ITRC JUNIOR CHAMPIONSHIP
